

NAME **BURNS, Arthur John**

WHERE EMPLOYED **Rabaul**

DATE JOINED **1st February 1925**

DATE LEFT **23rd Jan 1930.**

REMARKS **Took up duties as Accountant-Assistant Manager.**

Allowed to resign. "A first-class worker with splendid knowledge of every phase of our business & a very keen sense of loyalty to the Company."

Occasional lapses into drunkenness causing his absence from duty made it desirable to accept his resignation; not so much because it affected his work, but because of the bad example to junior staff. Burns has been paid three months salary on termination of appointment in recognition of good service, plus one month's salary in lieu of holiday leave now due." {Extrac from Staff Report from Rabaul 28-1-30}
